Rosebushes

The following rosebushes were chosen from a large field of roses, as varieties that had stood the hot weather, and still continued to bloom, where others stopped blooming. Therefore, we are sure that these varieties will give results that will be pleasing here, inasmuch as we have nothing but hot, dry weather to offer our roses. These bushes, with plenty of water and proper fertilizing, should give bloom all summer. You will note that the varieties listed are of the best in new and old varieties. All rosebushes started in dirt bands, to insure against transplanting loss.

Price of the following roses, 25c each; 5 for \$1.00. Add postage and 2% State Sales Tax.

LANDSCAPE DEPARTMENT

Our landscape department is prepared to help you with your planting. We prune shade trees, shrubs, rosebushes, evergreens, and vines properly. Large trees or evergreens removed or transplanted. Prices for the above services by the hour or contract. Let us help you with YOUR landscape problems.

In the matter of putting in new lawns or the treatment of old lawns, our 25 years of experience has taught us how to prepare the soil, the kind and amount of fertilizer to use, when and how to plant, and most important is the seeding. We have tried many kinds of grass seeds and we are now convinced our mixture is the only grass seed to plant in this section. Bent grass will grow here but is not practical, only those experienced in growing Bent should try it.

Old lawns fed at least twice a year with Vigoro or Morecrop with a light application of sulphate in between will keep healthy and green.

FERTILIZERS

A small investment in complete plant food assures success in growing lawns and flowers. We recommend—

VIGORO
The MEAL that assures rich
BEAUTY in Lawns and Flowers

Vigoro—A complete fertilizer that we have found to be very satisfactory. This comes in the following convenient sizes: 12-oz. package, where you have only a few plants—Price 10c. We have the 5-lb. packages—50c; 10 lbs.—85c; 25-lb. sack, \$1.50; 50 lbs. for \$2.50; and 100 lbs. for \$4.00.

For fertilizing lawns, fifty pounds will cover 1,200 square feet. For your convenience we have a spreader that we loan, or we will spread your Vigoro for 50c a 100 lbs. (Your lawn needs this very fertilizer.)

Sheep Manure—Pulverized. 50c per sack.

Cow Manure—Well-rotted. 50c per sack.

Peat Moss.....50c a sack
Leaf Mold.....50c a sack

All the above are very necessary to maintain humus. You will conserve moisture by digging these into the soil before planting. Also valuable for mulching.

Composted Soil—For pot plants and window boxes, etc. 50c a sack.

Bone Meal—Fine for roses, 5c lb., in small quantities.

Nitrate of Soda—5c lb., in small quantities.

Sulphate of Ammonia—5c lb., in small quantities.

Potash—5c lb., in small quantities.

Lime Dust—5c lb., in small quantities.

FLOWERS For Every Purpose

A selection of annual flowers is difficult to make because of the large number of subjects. Here are a few classifications which will suggest uses and arrangements. The flowers mentioned are by no means all the annuals, but many of the most popular types are included:

For long stems for cutting—Asters, Calliopsis, Calendula, Giant Zinnias, Scabiosa, Cosmos.

Shorter stems for cutting—Marigolds, Snapdragons, Sweet peas, Annual chrysanthemums, Bachelor buttons, and Sweet sultans, Ten Weeks' stocks, Dwarf zinnias, and Gypsophila.

For the shady portions—Pansies, Begonias, Torenias, Godetia, Forget-me-nots, Impatiens, Nemophila, Monkey flower.

For very hot situations—Sunflowers, Heliotrope, Portulaca, Ice plant, Petunias, Balsam, Annual gaillardia.

For light or poor soil—Nasturtiums, Clarkia, Godetia, Poppy, Portulaca, Zinnias.

Plants that bloom after frost—Sweet alyssum, Bachelor buttons, Petunias, Marigolds, Calendulas, Candytuft, Stocks and Phlox Drummond.

Tall flowers for background—Castor beans, Annual sunflowers, Cosmos, African Marigolds, Spider plant (Cleome), Plumy celosia or Cockscomb, clumps of Sweet peas, and the Flowering Tobaccos, particularly Nicotiana glauca.

For masses of color—Petunia, Zinnia, Marigolds, Calendulas, Phlox Drummond, Verbena, Stock, Aster, Salvia and Poppies.

For edges and borders—Sweet alyssum, Dwarf nasturtiums, Lobelia, Dwarf marigold, Ageratum, Virginia stocks and Forget-me-nots.

Fragrant plants—Mignonnette, Heliotrope, Nasturtiums, Alyssum, Ten-weeks' stocks, Nicotiana, Matthiola bicornis, (evening scented stock) and Sweet peas.

Annual vines—Morning glories, Moonflowers, Japanese hop, Tall nasturtium, Cardinal climbers, Cobaea, Cypress vine, Balloon vine, Scarlet runner and Hyacinth beans.

Perennial vines—Ampelopsis, Australian pea vine, Clematis, Cobaea scandens, Lathyrus, Ipomoea, Wild cucumber, Mina lobata, Moon vine, Kudzu, Gourds, Maderia vine (bulbs), Wisteria, Cinnamon vine (bulbs).

The Story of the F. T. D. A.

These letters, F. T. D. A. are no longer a mystery to the public. For F. T. D. A. means floral service by telegraph. In other words, F. T. D. A. stands for the Florists' Telegraph Delivery Association Which Association is composed of over six thousand bonded members. It is possible through this Association to deliver flowers almost anywhere in just a few hours time at the most, depending upon the distance.

There is no extra charge for this service. The actual cost of the telegram and the flowers is all that is paid by the purchaser. The full value of the order is delivered. Should occasion arise, such as the death of a relative or friend in some distant town, one can go to the nearest F. T. D. Florist and order whatever he chooses, and the flowers will be delivered in time for the funeral, with the card of the sender, expressing his sympathy. This is done by telegram. Each florist has a list of the other members. Any town of any size has one or more members of the Association. Where there is no florist, the flowers are sent out by the nearest member either by parcel post or by auto express. Any order received within a few hours of the time of a funeral, or the sailing time of a boat, or other such occasion, can be delivered promptly in time.

Remember, we are the only members of this Association in North Central Washington. "Send Flowers the Mercury Way"

OLD-FASHIONED GARDENS

With their showy-colored flowers in contrast with well arranged backgrounds and borders make for a beautiful setting for the small or medium-sized home as well as for large homes. Our landscape department is at your service to help you with this old-fashioned garden which service you will find inexpensive.

Ornamental Trees

Evergreen plants, shrubs and vines for a complete planting. Let us figure on your planting. No more ground than that which surrounds the city home is needed to obtain a delightful effect that more than pays for its cost.
